About This Game

The Art Theft by Jay Doherty is an interactive VR narrative that injects 3D drawings created by the user into a whimsical world and unfolding narrative. Made by Tilt Brush Artist in Residence Jay Doherty and Tilt Brush co-creator Patrick Hackett, this interactive story allows you to bring your imagination to life in a reimagined “Mad Libs” VR experience. *The Art Theft* takes users down a rabbit hole with new friends Butch the Bear, Wesley the Wolf, and Mr. Maple the Goat, who make you feel like you’re on a classic heist.

Developed and published by Google as part of the Tilt Brush Artist in Residence Program.
